# WHERE WE'RE AT...

Our group exhibition explores how further study over recent years has provided the opportunity for 10 very different artists to develop printmaking within their practice.

**INGO Collective** is an artist-led initiative evolving from a shared focus centred around Hot Bed Press Printmakers' Studio in Salford.

**WHERE WE'RE AT** is showing at Hot Bed Press for four days only from **14th -17th October, 11am-5pm**. Do come along to the **Private View** between **5-9pm, Friday 15th October**, it will be great to meet you!
